

Highland Pacific Golf Special Announcement

Highland Pacific Golf- Clubhouse and Course Closure

Dear Highland Pacific Golf Guests and Staff,

It is with much regret that as of 9:00 p.m. March 23rd, 2020 our clubhouse and golf course at Highland Pacific Golf will be closed until further notice in order to help fight the spread of COVID-19. The health and safety of our guests and staff are top priority so we will ask for your patience in staying away from the course until this public health emergency is under control.

Our management team would like to thank our front line staff who have been nothing short of heroic in serving the public and providing golfers with a sanctuary from what is happening around us the last several weeks. We would also like to thank all health care providers on the front lines fighting the beast that is COVID-19. We are all indebted to you as you serve in the capacity to care for the sick.

The ownership and management of Highland Pacific Golf would also like to thank our regular customers and guests for your continuous support. We are very grateful for your business and look forward to opening our doors and resuming the golf season as soon as possible.

Our team will continue to maintain the golf course and we will be attending to administration at the clubhouse. Although the clubhouse is closed, don't hesitate to call if you have any questions or want to say hello. We will be more active on our social media channels as well and you can keep in touch through that medium.

We wish everyone the best in health and happiness during this time.

Sincerely,

Highland Pacific Golf Management Team
